Date _____

Animals in Winter

Read the story aloud. Then read each question and circle the answer.

READ ALOUD Getting ready for winter

Winter is cold, and food is hard to find. Some animals hibernate. A bear eats lots of food in fall, then sleeps in a den until spring.

Some animals migrate. Many ducks fly far away to warm places. Some animals stay busy. A fox grows a thick coat and hunts in the snow.

1

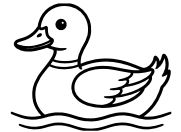

Which animal sleeps in a den all winter?
