The -ed Word Family

Read the words. Trace and write them. Then make your own -ed words.

1 Read the words. Each one ends in ed.

bed red fed led wed

2 Trace each word. Then write it.

Tracing practice lines for the words bed, red, and fed. Each word is shown in a dotted format on a three-line grid (top, middle dashed, bottom) for tracing. There are three rows of handwriting lines, each containing a dotted word for tracing and two empty spaces for independent writing.

3 Make -ed words. Write a letter in each box. Read your word.

Try these letters:

f	l	b	w	r
---	---	---	---	---

Blank boxes for creating -ed words. The first row shows three boxes, each containing a dotted 'ed' for tracing. The second row shows three empty boxes for independent writing.
