Learn My Address

Trace your address. Then write it on your own.

FOR THE GROWN-UP

1. Write your child's address on the first line of each part, lightly or with a highlighter.
2. Your child traces it, then writes it on the line below.
3. Say the address together each day. Your child colors a star each time.

Number and street

Town or city and state

ZIP code

I can say my address! Color a star each day you say it.
