

Name _____

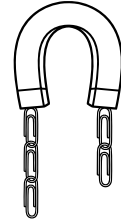

Date _____

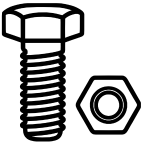

Magnet Test

Will the magnet pull it? Circle what you think, then what happened.

Read aloud

1. Give your child a magnet.
2. Hold up each thing. Ask: Will the magnet pull it?
Circle under I think.
3. Touch the magnet to it. Circle what happened under I found.

		I think	I found
1	 paper clip	U yes X no	U yes X no
2	 crayon	U yes X no	U yes X no
3	 safety pin	U yes X no	U yes X no
4	 sock	U yes X no	U yes X no
5	 nut and bolt	U yes X no	U yes X no
6	 paper	U yes X no	U yes X no

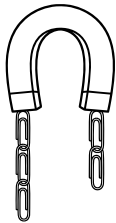

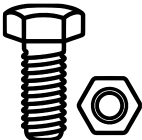

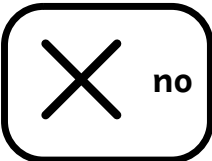

How many did it pull?

Magnet Test

What a fridge or bar magnet usually does.

Note: Some metal things are not pulled (coins, foil, cans made of aluminum). Only iron and steel are pulled.

		I think	I found
1	 paper clip	 yes  no	 yes  no
2	 crayon	 yes  no	 yes  no
3	 safety pin	 yes  no	 yes  no
4	 sock	 yes  no	 yes  no
5	 nut and bolt	 yes  no	 yes  no
6	 paper	 yes  no	 yes  no

 How many did it pull?
