

Name _____

Date _____

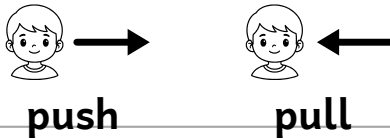

Draw the Arrow

Circle push or pull. Then draw an arrow the way it moves.

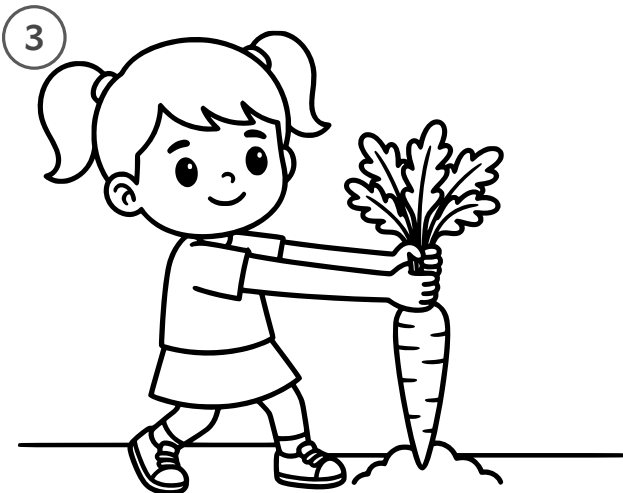

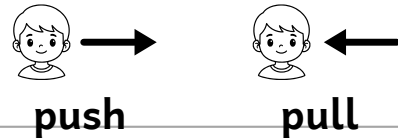

Read aloud: A push moves something away from you. A pull moves something toward you. Draw an arrow that points the way it moves.

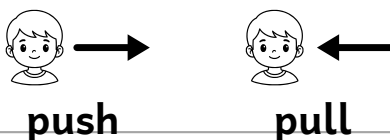

a cart

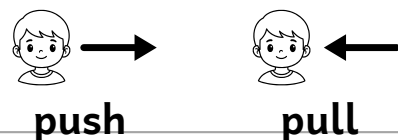

a wagon

a carrot

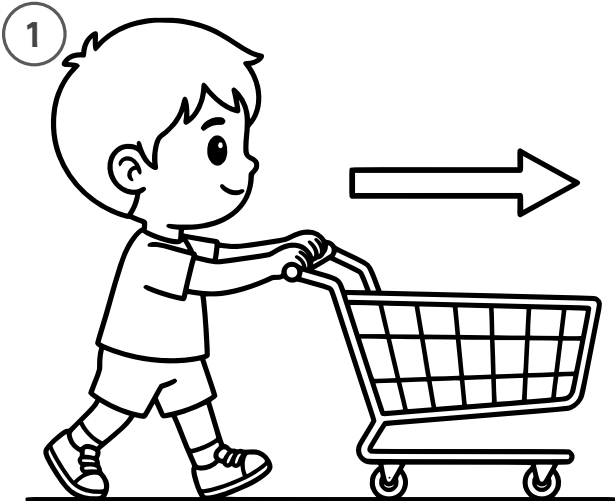

a ball

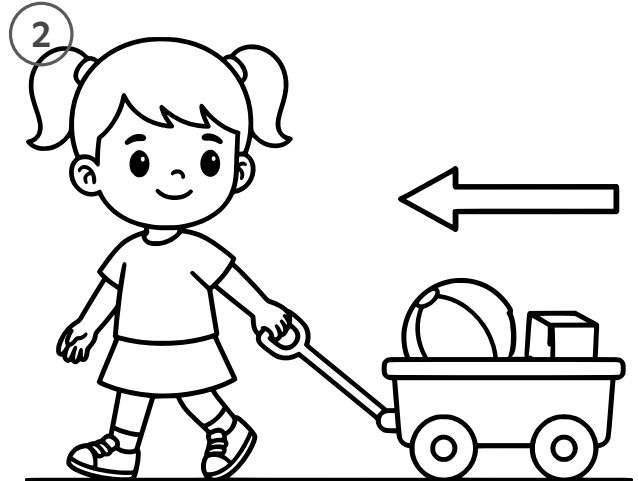

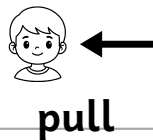

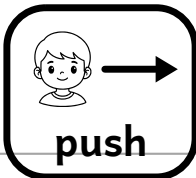

Draw the Arrow

Each arrow points the way the thing moves.

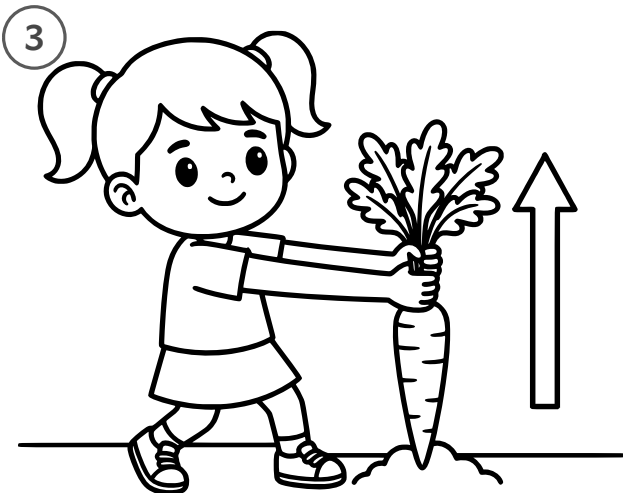

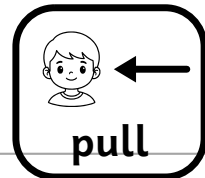

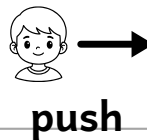

Read aloud: A push moves something away from you. A pull moves something toward you. Draw an arrow that points the way it moves.
