How Far Did the Car Roll?

Roll a toy car down a ramp. Color a box for each block it passed.

Read aloud

1. Lean a board or a stiff folder on 1 book to make a ramp.
2. Let the car go from the top. Do not push it.
3. Count the blocks it passed and color that many boxes. Then do it again with 2 books and 3 books.

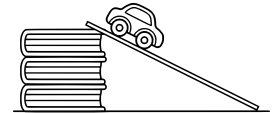

Which ramp will make the car go farthest?

1 book
