Stay Safe in Big Weather

Listen as a grown-up reads each one. Circle the safe thing to do.

READ ALOUD

Weather can be dangerous. Grown-ups listen to the weather forecast and warnings so they know when big weather is coming. Then we know what to do to stay safe.

You hear thunder.
Where should you go?

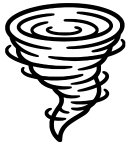

in the pool

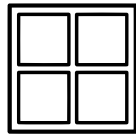

inside a building

under a tree

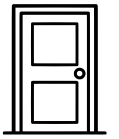

There is a tornado
warning. Where is
safest?

next to a window

in a car

small inside room,
low floor

A big snowstorm is here.
What should you do?

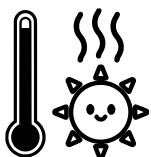

stay inside and
warm

go out to play

wear shorts

It is a very hot day.
What helps?

wear a coat

drink water, rest
in shade

sit by a fire
