# What Would You Do?

Listen as a grown-up reads each one. Circle the choice that helps the earth.

You finish a can of juice.

put it in recycling

leave it on the grass

You are brushing your teeth.

let the water run

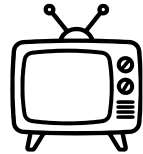

turn the water off

You are leaving your room.

turn off the light

leave the TV on

You drew on one side of a paper.

throw it away

draw on the back

You go shopping with your family.

bring a cloth bag

get lots of new bags

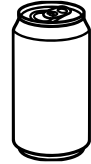

# What Would You Do?

The circled choice saves water or power, or makes less trash.

You finish a can of juice.

put it in recycling

leave it on the grass

You are brushing your teeth.

let the water run

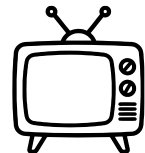

turn the water off

You are leaving your room.

turn off the light

leave the TV on

You drew on one side of a paper.

throw it away

draw on the back

You go shopping with your family.

bring a cloth bag

get lots of new bags
