Mia's Bean Plant

Listen to the story. Circle the picture that answers each question.

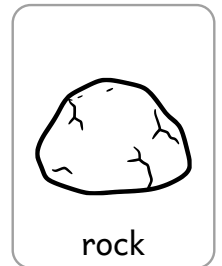

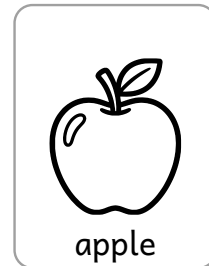

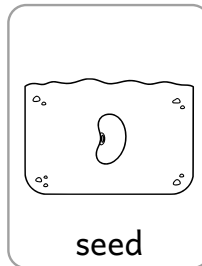

READ ALOUD: MIA'S BEAN PLANT

Mia planted a bean seed in a cup of soil. She gave it water and set it by a sunny window.

One day the leaves looked droopy. "You need a drink!" said Mia. She watered the soil, and the plant stood up tall again.

Soon the plant was too big for the cup. Mia moved it to the garden so its roots had room to grow.

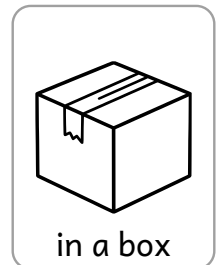

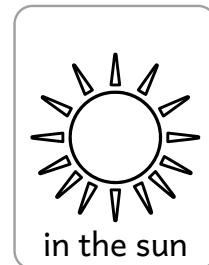

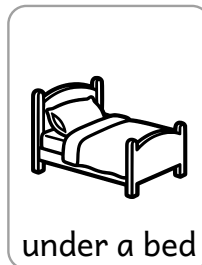

1. What did Mia plant?

2. What did the droopy plant need?

3. Where did Mia put the cup?
